Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Workbook. Language: English. Brand new Book. This Workbook is intended to supplement the So You Love a Prodigal book. By reading the corresponding chapter in the book before answering the questions in the Workbook, you will better understand the questions and will be able to apply them to your own situation. All the Workbook questions are "open ended," meaning they will ask you to think about and then write your answer in the spaces provided. On those questions for which you might answer with a simple "Yes" or "No," you are asked to either detail or explain your answer. The Workbook can be used individually or as a group study. If used in a group setting, members could discuss only the "take away" question, which is the last one for each Workbook chapter. Group members could then be open and honest when answering the questions but not feel the need to share personal or sensitive answers with the group. The "take away" answers will help people share what they learned, looked at differently, or decided to apply in their lives. With a conversational approach, she dares to address questions such as, "Why my family?" and "Who's to blame?" Encouragement, hope, and a call to action are the central themes of So You Love a Prodigal. Readers are assured with simple words and Biblical examples that God is...
